

**Washington County Tax List**  
**Stinson's & Daveson's Companys, 5<sup>th</sup> District**  
**1780**

Please note that these tax lists are sometimes very difficult to transcribe. Surnames were often written phonetically and sometimes we have no idea how to interpret. If we knew of the person, or we had a good guess as to the actual name, we added that information in brackets. Please, look at the documents and make your own interpretations.

[NOTE- Spelling corrected and some punctuation added for clarity. Spelling of names has not been changed, but suggestions have been added.]
